

Love Me in the Waiting

Trusting God's Purpose When You're
Longing for What's Next

Krystal Ribble

THE BOOK

Now more than ever, "Sit and Wait" seems to be on everyone's agenda. Weaving stories of waiting from familiar Bible characters, *Love Me in the Waiting* helps readers to consider that the waiting times in life are always full of purpose, even if they aren't seen or felt. In *Love Me in the Waiting* readers will be encouraged as they wait, learning how they can benefit from the timeless wisdom of those who waited before us. In doing so, they can draw strength and comfort from these collected stories and know they're not alone in the waiting seasons.

When your patience has worn thin or you're beginning to doubt God will be around for you, take heart from the pages of scripture. This book shows that modern experiences of waiting are similar in many ways to those who have come before, and that we have more in common with our spiritual ancestors than we realize. God will never waste a minute of your waiting, and *Love Me in the Waiting* provides a reminder of that truth for us all.
