PRAISE FOR TIM SHAW AND *BLITZ YOUR LIFE*

From the first time you meet Tim Shaw, you know you'll never forget him. It may be his strength of character that impresses you, his sincerity or humility; but whatever it is, he is an inspiration to everyone he meets. He was before and is now—even carrying the extra burden of ALS. His message of hope and becoming all who God created you to be through whatever you face, which he expresses in this book, will lift you to live the life and have the impact in the world you were created to have.

Mike Mularkey, head coach, Tennessee Titans

“His message about the disease he is fighting is that it is a gift he has been given – that he has been given a gift of perspective – that you . . . live life the way you are supposed to play football, as if every play could be your last and you should live that way.”

James Franklin, coach, Penn State

“From the moment I first met Tim to this very day, Tim has been a living testimony of walking with unwavering integrity through ANY situation. I am blown away by Tim's commitment to live an honorable life committed to Christ while inspiring so many people in his walk.”

Derrick Morgan, starting linebacker, Tennessee Titans

"If you want to know how to fight life's battles with hope, compassion and wisdom, read this book! Tim knows better than most what it takes to win on and off the field!"

Jon Acuff, New York Times best-selling author

"For as long as I have known him, Tim has been teaching and leading with his life- perseverance, kindness, grit, humor, heart. Tim's book will not only change your perspective on the life you have, but it will challenge you as you plan for the life you want."

Annie F. Downs, best-selling author of *Looking For Lovely* and *Let's All Be Brave*

“Having played alongside him with the Titans, I got a chance to see Tim’s passion, dedication, and will to fight to the end. He's a guy with a belief that he can conquer anything and has the faith to actually do it! What's even more admirable is how he continues to carry these qualities throughout his life, despite his current opponent being much tougher than those he faced on the football field.”

Jason McCourty, cornerback, Tennessee Titans
